

IL POGGIONE

## Bianco di Toscana I.G.T. 2023

*It is produced with Vermentino and Chardonnay grapes.*

*After the harvest, the must stays in contact with the skins for 24 hours and subsequently ferments at 12 °C (54 F).*

*The blend of the two grapes allows to get the best from both: the freshness and the minerality typical of the Vermentino, with the structure given by the Chardonnay.*
