Brunello di Montalcino Riserva Vigna Paganelli D.O.C.G. 2019

Brunello di Montalcino Riserva Vigna Paganelli is produced only in the best vintages and in limited quantity.

This wine comes exclusively from "I Paganelli" vineyard, the oldest one in the estate, planted in 1964. Its vines, used as a clonal reference when planting new vineyards, produce high quality grapes which are picked by the individual selection of the best and ripest bunches.

After the manual harvest, the must ferments at controlled temperature.

Subsequently the wine spends a long time in large French oak casks and it is then aged in the bottle.
